8.2 Protection of purchasers

No purchaser or other person shall be bound or concerned to see or enquire whether the right of Factortech or any Receiver to exercise any of the powers conferred by this Agreement has arisen or be concerned with notice to the contrary or with the propriety of the exercise or purported exercise of such powers.

The Company hereby undertakes to Factortech to pay on demand all costs, charges and expenses incurred by Factortech or by any Receiver in or about the enforcement, preservation or attempted preservation of any of the security created by or pursuant to this Agreement or any of the Charged Assets on a full indemnity basis, together with interest at the Default Interest Rate from the date on which such costs, charges or expenses are so incurred until the date of payment by the Company (both before and after judgment).

9.2 No liability as mortgagee in possession

Neither Factortech nor any Receiver shall be liable to account as mortgagee or heritable creditor in possession in respect of all or any of the Charged Assets or be liable for any loss upon realisation or for any neglect or default of any nature whatsoever for which a mortgagee or heritable creditor in possession may be liable as such.

Factortech and any Receiver or other person appointed by Factortech under this Agreement and Factortech's officers and employees (each an "**Indemnified Party**") shall be entitled to be indemnified (compensated) out of the Charged Assets in respect of all costs, losses, actions, claims, expenses, demands or liabilities (and all other professional costs and expenses) which may be suffered or incurred by, or made against, any of them at any time relating to or arising directly or indirectly out of or as a consequence of:

- (a) anything done or omitted in the exercise or purported exercise of the powers contained in this Agreement in respect of the Charged Assets; or
- (b) any breach by the Company of any of its obligations under this Agreement; or
- (c) any claim made or asserted against an Indemnified Party which would not have arisen if this Agreement had not been executed and which was not caused by the wilful default of the relevant Indemnified Party.

10. Independent and Continuing Security

This Agreement and the security created by this Agreement shall be in addition to, and independent of, any other Collateral Agreement, Encumbrance, rights or remedies that Factortech may hold in respect of any of the Secured Liabilities at any time. - 11.1.2 reassign the Charged Assets to the Company.

12. Discharge conditional

Any release, discharge or settlement between the Company and Factortech shall be deemed conditional on no payment or security received by Factortech in respect of the Secured Liabilities being avoided, reduced or ordered to be refunded pursuant to any law relating to insolvency, bankruptcy, winding-up, administration, receivership or otherwise. Despite any such release, discharge or settlement:

- 12.1.1 Factortech or its nominee may retain this Agreement and the security created by or pursuant to it, including all certificates and documents relating to the whole or any part of the Charged Assets, for any period that Factortech deems necessary to provide Factortech with security against any such avoidance, reduction or order for refund; and
- 12.1.2 Factortech may recover the value or amount of such security or payment from the Company subsequently as if the release, discharge or settlement had not occurred.

13. Miscellaneous

13.1 Remedies Cumulative

No failure or delay by Factortech to exercise any power, right or remedy shall operate as a waiver by Factortech of such power, right or remedy nor shall any single or any partial exercise or waiver of any power, right or remedy preclude Factortech from further exercise or the exercise of any other power, right or remedy.

13.2 Successors and assigns

Any appointment or removal of a Receiver under clause 7 (*Appointment and Powers of Receiver*) and any consents under this Agreement may be made or given in writing signed or sealed by any successors or assigns of Factortech and accordingly the Company hereby irrevocably appoints each successor and assign of Factortech to be its attorney in the terms and for the purposes set out in clause 10.

13.4 Invalidity of any Clause

If at any time any one or more of the provisions or clauses of this Agreement becomes invalid, illegal or unenforceable in any respect under any law, the validity, legality and enforceability of the remaining provisions or clauses shall not in any way be affected or impaired thereby.

If such modification is not possible, the relevant provision (or part of a provision) shall be deemed deleted. Any modification to or deletion of a provision (or part of a provision) under this clause shall not affect the legality, validity and enforceability of the rest of this Agreement.

13.7 Counterparts

This Agreement may be executed in any number of counterparts and by the parties to it on separate counterparts, each of which shall be an original but all of which together shall constitute one and the same instrument.

14. Notices

Any notice or demand for payment by Factortech under this Agreement shall, without prejudice to any other effective mode of making the same, be deemed to have been properly served on the Company if served on any one of its Directors or on its Secretary or delivered or sent by letter or email to the Company at its registered office or any of its principal places of business for the time being. Any such notice or demand shall be deemed to have been served (in the case of a letter) when delivered, and (in the case of email) when received in complete and legible form. Any such notice or demand or any certificate as to the amount at any time secured by the Agreement shall, save for manifest error be conclusive and binding upon the Company if signed by an officer of Factortech.
