Introduction

The purpose of this report is to provide a final account to creditors and to put creditors on notice of the Liquidator's intention to seek release from office. The report details the acts and dealing of the Liquidator and it should be read in conjunction with previous reports to creditors if applicable.

The Liquidator is required to meet a considerable number of statutory and regulatory obligations. Whilst many of these tasks do not have a direct benefit in enhancing realisations for the insolvent estate, they assist in the efficient and compliant progressing of the administration of the case, which ensures that work is carried out to high professional standards. A detailed list of these tasks may be found in Appendix 5.

2. STATUTORY INFORMATION

Registered Name, Address and Number

Chews Media Limited ("the Company") - (In Liquidation)

Registered office: Yorkshire House, 7 South Lane, Holmfirth, HD9 1HN

Registered Number: 11744411

Trading Names: Physio Matters

3. BACKGROUND

The Company's principal activity from incorporation was that of non-health trading but was used primarily from a need to diversify the directors' work and income following the Covid-19 pandemic in 2020.

The directors attribute the failure of the Company to the following;

- Inability to adapt to trading conditions post pandemic
- High cost of wages and overheads generally

LIQUIDATION APPOINTMENT DETAILS

Jonathan Paul Philmore was appointed Liquidator of the Company on the 14 July 2023 at a statutory meeting of the members held on that date. The appointment was confirmed via the Deemed Consent procedure duly held on the same day to which there were no objections. There has been no change of office holder in this matter during the conduct of the liquidation.

LIQUIDATOR'S ACTIONS SINCE APPOINTMENT

Compliance with The Insolvency Act, Rules and Best Practice

The Liquidator has met a considerable number of statutory and regulatory obligations. Whilst many of these tasks have not had a direct benefit in enhancing realisations for the insolvent estate, they have assisted in the efficient and compliant progressing of the administration, which has ensured that the Liquidator and his staff have carried out their work to high professional standards.

During the Review Period, primarily these tasks have included:

- Informing all relevant persons of the commencement of the Liquidation, including filing statutory documents at Companies House and meeting statutory advertising requirements;
- Drafting and issuing the progress report to creditors;
- Consulting with and instructing staff and independent advisers as regards practical, technical and legal aspects of the case to ensure efficient progress;
- Maintaining case files, which must include records to show and explain the liquidation and any decisions made by the Liquidator that materially affect the liquidation;
- Monitoring and maintaining an adequate statutory bond;
- Conducting periodic case reviews to ensure that the liquidation is progressing efficiently, effectively and in line with the statutory requirements;
- Maintaining and updating the estate cash book and bank accounts, including regular bank reconciliations and processing receipts and payments;

4. EXECUTIVE SUMMARY

6. ENQUIRES AND INVESTIGATIONS

During the period covered by this report I, together with members of my staff have carried out a review of the Company's affairs. This has included seeking information and explanations from the director by means of questionnaires and meetings; making enquiries of the Company's accountants; reviewing information received from creditors and collecting and examining the Company's bank statements, accounts and other records.

The director has co-operated with my enquiries and delivered up the Company's books and records upon request and completed a questionnaire.

The information gained from this process enabled me to meet my statutory duty to submit a confidential report on the director's conduct to the Insolvency Service.

This work was also carried out with the objective of making an initial assessment of whether there were any matters that may lead to any recoveries for the benefit of creditors. This would typically include any potential claims which may be brought against parties either connected to or who have past dealings with the Company.

I have not identified any further assets or actions which might lead to a recovery for creditors.

Although this work did not generate any financial benefit to creditors, it was necessary to meet my statutory duties as well as conduct appropriate enquiries and investigations into potential rights of actions to enhance realisations.

I can confirm that I filed my report on the directors' conduct with the Insolvency Service. The contents of this report are confidential and not available for circulation to creditors.

There are no matters currently under investigation that would prevent me from concluding the liquidation.

7. CREDITORS' CLAIMS

Secured creditors

There are no secured creditors in this matter.

Preferential creditors

The preferential creditor claim, as per the Statement of affairs, was estimated in the sum of £800.00. As at the date of this report, no claim has been received.

Secondary Preferential Creditors

The secondary preferential creditor claim was estimated in the sum of £1,900.00. As at the date of this report no claim has been received from HM Revenue & Customs.

Unsecured creditors

Unsecured creditor claims as per the directors' statement of affairs were estimated to be in the sum of £73,272. I have to date received claims totalling £23,723.99. A number of creditors have not lodged a claim however, as there is no prospect of a dividend, I have not written to them requesting they do so.

8. DIVIDENDS

Dividend in Relation to the Prescribed Part

Under the provisions of Section 176A of the Insolvency Act 1986 the Liquidator must state the amount of funds available to unsecured creditors in respect of the prescribed part. This provision only applies where a company has granted a floating charge to a creditor after 15 September 2003. There are no Mortgages or Debentures registered against the Company and as such the provisions of this Section do not apply in this matter.

Notice of No Dividend

This Notice is given under Rule 14.36 of the (IR 2016). It is delivered by the Liquidator of the Company, Jonathan Paul Philmore, of Philmore & Co Ltd, Yorkshire House, 7 South Lane, Holmfirth, HD9 1HN

The Liquidator gives notice confirming that no dividend will be declared to any class of creditor as the funds realised have been used to defray the costs of liquidation.

9. FEES AND EXPENSES

Pre-Appointment Fees

The payment of any reasonable and necessary expenses incurred in connection with preparing a Statement of Affairs on behalf of the Company can be paid out of the Company's assets as an expense of the liquidation. If the payment is made prior to the appointment of the Liquidator then creditor approval is not required. However, where the payment is made after the formal appointment of the Liquidator or to an associate of the Liquidator, creditor approval is required.

My Statement of Affairs fee was agreed with the Company directors in the sum of £4,000.00 plus VAT at a board meeting held on 22 June 2023. As the Company had no realisable assets, my Statement of Affairs fee has been paid personally by the former directors. I have received the same in full.

The Liquidator's fees

The Liquidator is required to seek creditor approval prior to any remuneration being drawn. Where there is no Committee then the basis of remuneration must be fixed by a decision of the creditors by a decision procedure. If the Liquidator is not able to obtain creditor approval he may have his fees approved by the Court however this must be done within 18 months of his appointment.

Details of my firm's charge out rates were circulated to creditors on 22 June 2023.

My time costs for the period 14 July 2023 to 30 November 2023 totals £5,146.50 representing 23.60 hours at an average hourly rate of £218.07. I have drawn no remuneration against the aforementioned time costs. As such, I have not sought creditor approval. My time costs have been written off in full.

Information about creditors' rights can be obtained by visiting the creditors' information micro-site published by the Association of Business Recovery Professionals (R3) at <http://www.creditorinsolvencyguide.co.uk/>. A link to the R3 website can also be found on the Philmore & Co website; www.philmoreandco.com. Please note that there are different versions of the Guidance Notes and in this case you should refer to the April 2017 version.

A summary of my firm's time costs are also detailed at Appendix 3. Appendix 4 shows the relevant charge out rates for the Liquidator and his staff during the period covered by this report.

Costs and Disbursements

Costs met by and reimbursed to an office holder in connection with an insolvency appointment should be appropriate and reasonable. Such costs will fall into two categories:

a) Category 1 disbursements: These are costs where there is specific expenditure directly referable both to the appointment in question and a payment to an independent third party. These may include, for example, advertising, room hire, storage, postage, telephone charges, travel expenses, and equivalent costs reimbursed to the office holder or his or her staff. Category 1 disbursements can be drawn without prior creditor approval.

b) Category 2 disbursements: These are costs that are directly referable to the appointment in question but not to a payment to an independent third party. They may include shared or allocated costs that can be allocated to the appointment on a proper and reasonable basis, for example, business mileage. Category 2 disbursements may be drawn if they have been approved by creditors.

My category 1 disbursements total £387.15 and are broken down as to statutory advertising of £218.16 and a case management fee of £168.99.

No category 2 disbursements have been charged to the case.

10. CREDITORS' RIGHTS

A creditor may, with the permission of the court or with the concurrence of 5% in value of the unsecured creditors (including the creditor in question) request further details of the Liquidator's remuneration and expenses, within 21 days of receipt of this report.

A creditor may, with the permission of the court or with the concurrence of 10% in value of the creditors (including the creditor in question), apply to court to challenge the amount and/or basis of the Liquidator's fees and the amount of any proposed expenses or expenses already incurred, within 8 weeks of receipt of this report.

11. CONCLUSION

There are no outstanding matters that would now prevent me from concluding the liquidation and the Company's affairs are fully wound up.

I am obliged to file my Final Account with the Registrar of Companies within 7 days of the ending of the prescribed period after which time I will be released as liquidator. The prescribed period ends at the later of: (i) eight weeks after delivery of this report, or (ii) if any request for information under Rule 18.9 of the IR 2016 or any application to court under that Rule or Rule 18.34 of the IR 2016 is made, when that request or application is finally determined.

If you require any further information, please contact Liam Cockfield of this office.

Category 1 and Category 2 Expenses & Disbursements in accordance with Statement of Insolvency Practice 9 as amended 1 April 2021.

Expenses are any payments made from the estate which are neither an office holder's remuneration nor a distribution to a creditor or a member. Expenses also includes disbursements. Disbursements are payments which are first met by an office holder and then reimbursed from the estate. Expenses are divided into those that do not require creditor approval before they are charged to the estate (Category 1) and those that do (Category 2).

Category 1 expenses: these are payments to persons providing a service who are not an associate of the office holder relating to external services which are directly attributable to the case.

Category 2 expenses: These are payments to associates or which have an element of shared costs. Before being paid, category 2 expenses require creditor approval whether paid directly from the estate or as a disbursement.

Payment of category 2 expenses to associates should be fair, reasonable and proportionate to the case and reflect the work necessarily and properly undertaken.

As from 1 July 2021 Philmore & Co will no longer look to recover category 2 expenses and disbursements that relate to shared costs and overheads, for example, stationary, faxes, photocopying, room hire (unless external).

Postage will be charged to each case at cost as a category 1 expense.

SIP 9 states that the remuneration of an office holder should not be approved by any party with whom the office holder has a professional or personal relationship which could give rise to a conflict of interest, for example a referring solicitor or accountant even if that party is a creditor. However in the event that our remuneration is not approved by an unconnected party Philmore & Co will rely on the approval of an associated creditor so long as that associated creditor has properly lodged a claim in the proceedings with substantiating documentation in support.
