Directors' Report For The Year Ended 28 February 2021

The directors present their report and the financial statements for the year ended 28 February 2021.

Statement of Directors' Responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations. Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the surplus or deficit of the company for that period. In preparing the financial statements the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Principal Activity

The company's principal activity was the supply of support services to the Green New Deal Group, based in the UK. One employee was engaged to provide these services.

The activities of the Green New Deal Group are recorded on its web site at <https://greennewdealgroup.org/> and those interested are asked to refer to that site for further information.

Review of Business

The activities of the company were funded by grants from George Soros, brought forward from the previous year, the Open Society Foundation and by Green New Deal, UK. Since these grants were all provided on the basis that they should not give rise to either profit or loss and each is being expended on that basis the company made neither profit nor loss in the period. Sums not expended by the year end date are carried forward as income in advance. As no net taxable income arose during the course of the year the company had no corporation tax liability arising as a result of its activities during the course of the year.

Future Developments

The company has secured additional grants to continue its activities until at least February 2022 and is now actively seeking new forms of funding for its work.

Directors

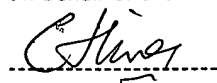

The directors who held office during the year were as follows:

Colin Hines
Jeremy Leggett
Ann Pettifor

Small Company Rules

This report has been prepared in accordance with the special provisions relating to companies subject to the small companies regime within Part 15 of the Companies Act 2006.

Green New Deal Group Limited
Notes to the Financial Statements
For The Year Ended 28 February 2021

1. Accounting Policies

1.1. Basis of Preparation of Financial Statements

The financial statements are prepared under the historical cost convention and in accordance with the FRS 102 Section 1A Small Entities - The Financial Reporting Standard applicable in the UK and Republic of Ireland and the Companies Act 2006.

1.2. Turnover

Turnover is measured at the fair value of the consideration received or receivable. Turnover includes revenue earned from the rendering of services.

Rendering of services

Turnover from the rendering of services is recognised by reference to the stage of completion of the contract. The stage of completion of a contract is measured by comparing the costs incurred for work performed to date to the total estimated contract costs. Turnover is only recognised to the extent of recoverable expenses when the outcome of a contract cannot be estimated reliably.

1.3. Taxation

The company made neither profit nor loss in the period and had no corporation tax liability arising in the period as a consequence.

1.4. Pensions

The company operates a defined pension contribution scheme. Contributions are charged to the income and expenditure account as they become payable in accordance with the rules of the scheme.

2. Average Number of Employees

The average number of employees, including directors (none of whom were paid in the year), was: 1 (2020: 1)
