Company information

Directors and Trustees

The directors present their report for the period from incorporation on 21 August 2020 to 31 March 2021.

The company is dormant and has not traded during the period.

The company is limited by guarantee.

The company registered as a charity on 1 July 2021. Its charitable objects are defined as: The protection of the public, critical national infrastructure, commerce, public sector and third sector services and individual personal data from the threat of cyber crime and cyber attack by the creation and maintenance of high standards and best practice in cyber security. The charitable company is the self-regulatory body for the UK's cyber security profession. It develops, promotes and stewards nationally recognised standards for cyber security in support of the UK Government's National Cyber Security Strategy to make the UK the safest place to live and work online.

Post year end it is expecting to receive grant funding that will enable it to commence activities in line with its charitable objectives.
