The Directors of the Company have elected not to include a copy of the profit and loss account within the financial statements.

The Company's financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime.

For the period ended 31 August 2022, the Company was entitled to an exemption from audit under section 479A of the Companies Act 2006 relating to subsidiary companies. The shareholders have not required the Company to obtain and audit of its accounts for the period in question in accordance with section 476. The Directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

The financial statements on pages 1 to 8 were approved by the Board of Directors on 5 April 2023 and signed on its behalf by

P Simpson
Director

The notes on pages 3 to 8 form part of these financial statements.

CARIBOU MIDCO II LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

1. Accounting policies

1.1 Reporting entity

Caribou Midco II Limited (the "Company") is a limited company, incorporated in the United Kingdom and domiciled in England. The Company's registered office is Building 3, St Paul's Place, Norfolk Street, Sheffield, S1 2JE. The Company's principal activity is that of a holding company.

The Company was incorporated on 21 June 2021 and these financial statements represent a 14-month period to 31 August 2022.

1.2 Basis of preparation of financial statements

The financial statements of Caribou Midco II Limited have been prepared in accordance with Financial Reporting Standard 101, "Reduced Disclosure Framework" (FRS 101).

The Company is a wholly owned subsidiary of Caribou Midco I Limited and is included in the consolidated financial statements of Caribou Midco I Limited, which are publicly available. The Company has therefore taken the exemption from producing consolidated financial statements. The financial statements have been prepared in accordance with Companies Act 2006 as applicable to companies using FRS101, and under the historical cost convention.

The preparation of financial statements in compliance with FRS 101 requires the use of certain critical accounting estimates. It also requires management to exercise judgment in applying the Company's accounting policies.

The following exemptions from the requirements of IFRS have been applied in the preparation of these financial statements, in accordance with FRS 101:

- IAS 7 Statement of Cash Flows;
- the requirements in IAS 24 Related Party Disclosures, to disclose related party transactions entered into between two or more members of a group, provided that any subsidiary which is a party to the transaction is wholly owned by such a member;
- the requirements of paragraph 33(c) of IFRS 5 Non-current Assets Held for Sale and Discontinued Operations;
- the second sentence of paragraph 110 and paragraphs 113(a), 114, 115, 118, 119(a) to (c), 120 to 127 and 129 of IFRS 15
- the requirements of paragraphs 10(d), 10(f), 16, 38A, 38B, 38C, 38D, 40A, 40B, 40C, 40D, 111 and 134-136 of IAS 1 Presentation of Financial Statements; and
- the requirement in paragraph 38 of IAS 1 Presentation of Financial Statements to present comparative information in respect of:
 - i) paragraph 73(e) of IAS 16 Property, Plant and Equipment;
 - ii) paragraph 118(e) of IAS 38 Intangible Assets

Accounting policies have been applied consistently throughout these financial statements, other than where new policies have been adopted.

CARIBOU MIDCO II LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

1.3 Going concern

The company is reliant on support from the ultimate parent company, Caribou Midco I Limited, for it to continue to trade and a group letter of support is in place to support the Company if required.

The directors have considered the trading position of the company and its business risks and have prepared a cash flow forecast for a period of 12 months from the date of approval of the financial statements for Caribou Midco I Limited and its subsidiaries which included this entity, including considering a severe but plausible downside case. The Company benefits from Tes group financial strength and funds are provided as required by the Company. A letter of support had been obtained from Caribou Bidco Limited who have confirmed that they will continue to support the Company and provide any further funds, if required, for a period of a least 12 months from the date of approval of these financial statements. The directors have reviewed the group forecasts and determined that the aforementioned support is available should it be needed.

After making enquiries, the directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for a period of 12 months from the date of approving these financial statements. The Company, therefore, continues to adopt the going concern basis in preparing its financial statements.

1.4 Interest receivable and similar income and interest payable and similar expense

Finance income is recognised using the effective interest method. When a loan or receivable is impaired, the Company reduces the carrying value to its recoverable amount, being the estimated future cash flow discounted at the original effective interest rate of the instrument and continues to unwind the discount as interest income.

Finance costs are accrued on a time basis, by reference to the principal outstanding and the interest rate applicable.

1.5 Current taxation

The tax expense for the year comprises current and deferred tax. Tax is recognised in the Statement of Comprehensive Income, except that a charge attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted, by the balance sheet date, in the countries where the Company operates and generates income.

1.6 Valuation of investments

Investments in subsidiaries are measured at cost less accumulated impairment.

1.7 Trade and other receivables

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

CARIBOU MIDCO II LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

1.8 IFRS 9 Expected credit loss

The Company has applied the IFRS 9 simplified approach to measuring expected credit losses which uses a lifetime expected loss allowance for all trade receivables and contract assets. The expected loss rates are based on the payment profiles of sales and the corresponding historical credit losses experienced. The current and forward-looking information on macroeconomic factors affecting the ability of customers to settle the receivables are also considered. The Company have assessed that no material adjustment to provisions is required to reflect the lifetime expected loss.

1.9 Trade and other payables

Creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers.

Creditors are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method.

1.10 Financial instruments

Financial assets and liabilities are recognised when an entity becomes a party to the contractual provisions of the instruments.

Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than those at fair value through profit or loss) are added to or deducted from the fair value of the financial asset or liability, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or liabilities at fair value through profit or loss are recognised immediately in profit or loss.

1.11 Cash and cash equivalents

Cash and cash equivalents include cash in hand, current balances and other short-term, highly liquid investments with banks and similar institutions.

1.12 Called up share capital

Ordinary shares, A ordinary shares and preference shares are classified as equity and carry the same voting and dividend rights.

Incremental costs, directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

Preference share dividends are discretionary and become payable when there are sufficient distributable reserves available.

1.13 Critical accounting estimates and judgements

The preparation of the Company's financial statements in accordance with FRS 101 requires decisions and estimates for some items, which might have an effect on their recognition and measurement in the statement of financial position and profit and loss. The actual amounts realised may differ from these estimates.

There were no critical accounting estimates or judgements required in the preparation of these financial statements.

CARIBOU MIDCO II LIMITED

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022**

2. Investments

	Investments in subsidiary companies £000
Cost and net book value	
At 21 June 2021	
Additions	276,674
At 31 August 2022	276,674
