4 Effectiveness of security

4.1 Continuing security

The Security constituted by this Deed shall be continuing security and will extend to the ultimate balance of the Secured Liabilities regardless of any intermediate payment, discharge or satisfaction by the Chargor or any other person of the whole or any part of the Secured Liabilities.

4.2 **No prejudice**

The Security created by or pursuant to this Deed shall not be prejudiced by any unenforceability or invalidity of any other agreement or document or by any time or indulgence granted to the Chargor or any other person, by the Security Agent (whether in its capacity as trustee or otherwise) or any of the other Secured Parties or by any variation of the terms of the trust upon which the Security Agent holds the Security or by any other thing which might otherwise prejudice that Security.

4.3 **Cumulative rights**

- (a) The Security constituted by this Deed shall be cumulative, in addition to and independent of any other Security which any Secured Party may hold at any time for the Secured Liabilities (or any of them) or any other obligations or any rights, powers and remedies provided by law and shall operate as an independent security notwithstanding any receipt, release or discharge endorsed on or given in respect of or under any such other Security.
- (b) No prior Security held by the Security Agent (whether in its capacity as trustee or otherwise) or any of the other Secured Parties over the whole or any part of the Charged Property shall merge into the Security constituted by this Deed.

4.4 **Waiver of defences**

The obligations of, and the Security created by, the Chargor under this Deed will not be affected by an act, omission, matter or thing which, but for this clause 4.4, would reduce, release or prejudice any of its obligations under this Deed (without limitation and whether or not known to it or any Finance Party) including:

- (a) any time, waiver or consent granted to, or composition with, any Transaction Obligor or other person;
- (b) the release of any other Transaction Obligor or any other person under the terms of any composition or arrangement with any creditor of any Transaction Obligor or any other person;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Transaction Obligor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of a Transaction Obligor or any other person;
- (e) any amendment, novation, supplement, extension (whether of maturity or otherwise) or restatement (in each case, however fundamental and of whatsoever nature and whether or not more onerous) or replacement of any Finance Document or any other document or security including, without limitation, any change in the purpose of, any extension of, or any variation or increase in any facility or amount made available under any facility or the addition of any new facility under any Finance Document or other document or security;

- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or security; or
- (g) any insolvency or similar proceedings.

4.5 **Chargor intent**

Without prejudice to the generality of clause 4.4, the Chargor expressly confirms that it intends that the Security created under the Deed shall extend from time to time to any (however fundamental) variation, increase, extension or addition of or to any of the Finance Documents and/or any facility or amount made available under any of the Finance Documents for the purposes of or in connection with any of the following: acquisitions of any nature; increasing working capital; enabling distributions to be made; carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making facilities available to new borrowers; any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and any fees, costs and/or expenses associated with any of the foregoing.

4.6 **Immediate recourse**

The Chargor waives any right it may have of first requiring any Secured Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from the Chargor under this Deed. This waiver applies irrespective of any law or any provision of a Finance Document to the contrary.

4.7 **Deferral of rights**

Until the end of the Security Period the Chargor will not exercise any rights which it may have by reason of performance by it of its obligations under this Deed:

- (a) to be indemnified by a Transaction Obligor;
- (b) to claim any contribution from any other guarantor of any Transaction Obligor's obligations under this Deed;
- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Secured Parties under this Deed or of any other guarantee or Security taken pursuant to, or in connection with, this Deed by any Secured Party;
- (d) to bring legal or other proceedings for an order requiring any Transaction Obligor to make any payment, or perform any obligation, in respect of which any Guarantor has given a guarantee, undertaking or indemnity under any Finance Document;
- (e) to exercise any right of set-off against any Transaction Obligor; and/or
- (f) to claim or prove as a creditor of any Transaction Obligor in competition with any Secured Party.

If the Chargor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to any Secured Party by the Transaction Obligors under or in connection with this Deed to be repaid in full on trust for the Security Agent and shall promptly pay or transfer the same to the Security Agent or as the Security Agent may direct for application in accordance with clause 16 (Application of monies).

- 7.2 The Chargor shall take all such action as is available to it (including making all filings and registrations) as the Security Agent may require for the purpose of the creation, perfection, protection or maintenance of any Security conferred or intended to be conferred on the Security Agent or the Finance Parties by or pursuant to this Deed or for the exercise of any rights, powers and remedies of the Security Agent or the Finance Parties provided by or pursuant to this Deed or by law, including, but not limited to, the granting of a power of attorney on the same terms as that set out in clause 11 (Security power of attorney) of this Deed.
