AA BOND CO LIMITED ANNUAL REPORT AND AUDITED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 JANUARY 2016

Registered FC number: FC031455

Registered Company number 112992

FOR THE YEAR ENDED 31 JANUARY 2016

DIRECTORS' REPORT

The directors present their report and audited financial statements of AA Bond Co Limited ("the Company") for the year ended 31 January 2016.

PRINCIPAL ACTIVITY AND REVIEW OF THE BUSINESS

The Company is a wholly owned subsidiary of AA Intermediate Co Limited.

The principal activity of the Company is that of a financing company. Class A1, A2 A3 and A4 notes issued in previous years are listed on the Main Securities Market of the Irish Stock Exchange.

On 13 April 2015, the Company issued £735m of new Class B2 notes which were listed on Global Exchange Market of the Irish Stock Exchange. The proceeds of this issue were used to repay all of the existing £655m 9.5% Class B notes held by the Company on 31 July 2015 and an early repayment fee of £58.6m was paid as a result. The proceeds of the new Class B2 notes were loaned to AA Senior Co Limited, a fellow subsidiary undertaking.

The Company incurred interest of £148.2m (2015: £144.3m) in the year to 31 January 2016, amortisation of Issue fees of £19.2m (2015: £4.9m) and an early repayment fee of £58.6m (2015: £111). This was offset by interest receivable from a fellow subsidiary undertaking of £225.7m (2015: £149.3m). Management deem these figures to be the key performance indicators of the Company.

DIVIDENDS

The directors do not recommend the payment of a dividend for the year (2015; £nil).

RISK MANAGEMENT FRAMEWORK

The Company is part of the AA pic Group which has developed an embedded enterprise risk management process that facilitates the identification, assessment, escalation and mitigation of the Company's risk exposure across every aspect and activity of the business. This framework enables the business to manage risk using predefined assessment criteria to ensure residual risk levels are in line with the Board's agreed risk appetite.

The principal risks have been grouped into the following categories:

Financial Risk

The financial risks of the Company are managed centrally by the AA plc group Treasury team taking into account the Company's position as part of the group with due consideration being given to the impact of transactions with other group entities.

Brand Risk

The Company recognises that the AA brand is a key differentiator and source of competitive advantage, and brand damage from low quality products or services could have an adverse impact on the Company's ability to repay its debt.

Credit Risk

Credit risk is the risk that a counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk in relation to the intercompany balance due from a fellow subsidiary undertaking. The AA plc group monitors the recoverability of intercompany balances to ensure that there are sufficient resources to meet each counterparty's obligation.

DIRECTOR'S INDEMNITY

The Company maintains directors' and officers' liability insurance, which gives appropriate cover for any legal action brought against its directors and officers. The Company has also granted indemnities to its directors and officers against all losses and liabilities incurred in the discharge of their duties, to the extent permitted by law.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

Companies (Jersey) Law 1991 requires the directors to prepare financial statements for each financial period in accordance with any generally accepted accounting principles. The financial statements of the company are required by law to give a true and fair view of the state of affairs of the company at the period end and of the profit or loss of the company for the period then ended

In preparing these financial statements, the directors should:

- · select suitable accounting policies and then apply them consistently;
- · make judgments and accounting estimates that are reasonable and prudent;
- specify which generally accepted accounting principles have been adopted in their preparation; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping accounting records which are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements prepared by the Company comply with the requirements of the Companies (Jersey) Law 1991. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

GOING CONCERN

The Company's business activities and its exposure to financial risk are described in the business review and risk management framework sections on page 1.

The directors believe that the Company has adequate financial resources due to the available cash resources of the AA plc group which can be drawn upon to service its interest payments. In addition, the terms of the financing agreements prescribe that the Company achieves a marginal profit each year which contributes to the Company's net asset position.

FOR THE YEAR ENDED 31 JANUARY 2016

DIRECTORS' REPORT (continued)

The covenants in place over the loan notes issued by the Company apply to the AA Intermediate Group as a whole and thus the resources of this group are used to assess compliance with these covenants. Compliance with the debt covenants is disclosed in the AA Intermediate Co Limited financial statements.

The directors believe that the Company is well placed to manage its business risks successfully using the risk management framework described in the Directors' Report and that the residual risks being taken by the Company are commensurate with its financial resources.

The directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

RE-APPOINTMENT OF AUDITOR

Ernst & Young LLP have expressed their willingness to continue in office.

BY ORDER OF THE BOARD

G PRITCHARD DIRECTOR 25 August 2018

> Registered Office: 22 Grenville Street St Helier Jersey JE4 8PX

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF AA BOND CO LIMITED

We have audited the financial statements of AA Bond Co Limited for the year ended 31 January 2016 which comprise the Income statement, statement of financial position, statement of changes in equity and the related notes 1 to 11. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 101 Reduced Disclosure Framework'.

This report is made solely to the company's members, as a body, in accordance with Article 113A of the Companies (Jersey) Law 1991. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibilities Statement set out on page 2, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Annual report and financial statements to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 January 2016 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Accounting Standards, Including Financial Reporting Standard 101 'Reduced Disclosure Framework'; and
- have been prepared in accordance with the requirements of the Companies (Jersey) Law 1991.

Matters on which we are required to report by exception

Ernst + Young Lif

We have nothing to report in respect of the following matters where the Companies (Jersey) Law 1991 requires us to report to you if, in our opinion:

- proper accounting records have not been kept, or proper returns adequate for our audit have not been received from branches not visited by us; or
- ▶ the financial statements are not in agreement with the accounting records and returns; or

we have not received all the information and explanations we require for our audit.

NOTES TO THE FINANCIAL STATEMENTS

1 Presentation of financial statements

AA Bond Co Limited is incorporated and domiciled in Jersey.

These financial statements were prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework (FRS101). The financial statements are prepared under the historical cost convention.

The financial statements are prepared on a going concern basis. A summary of the accounting policies, which have been applied on a consistent basis are set out below.

The financial statements are prepared in Sterling and are rounded to the nearest £1,000.

2 Accounting policies

2.1 Basis of preparation

The Company has transitioned to FRS 101 from previously extant UK Accounting Standards for all periods presented. As a consequence of adopting FRS 101, the Company has made no restatements to the comparatives with regards to recognition and measurement but has required amendments to presentation and disclosures in the accounts.

The accounting policies which follow set out those policies which apply in preparing the financial statements for the year ended 31 January 2016.

The Company has taken advantage of the following disclosure exemptions under FRS 101:

- IAS 1 paragraphs 10(d) and 10(f),
- IAS 1 paragraph 16 (statement of compliance with all IFRS),
- IAS 1 paragraph 38A (requirement for minimum of two primary statements, including cash flow statements),
- IAS 1 paragraph 111 (cash flow statement information),
- IAS 1 paragraphs 134-136 (capital management disclosures),
- IFRS 1 paragraphs 6 and 21,
- IFRS 7 'Financial Instruments Disclosures'
- IAS 7 'Statement of cash flows',
- IAS 8 paragraphs 30 and 31,
- The requirements in IAS 24, 'Related party disclosures' to disclose related party transactions entered into between two or more members of a group,
- IAS 24 'Related party disclosures' (key management compensation).
- IFRS 13 'Fair Value Measurement'

2.2 Critical accounting estimates and judgements

The Company is a financing company and has significant borrowings on its Statement of Financial positions. However, these borrowings bear fixed rates of interest and repayments are made on fixed terms until the maturity date.

NOTES TO THE FINANCIAL STATEMENTS (continued)

2.3 Significant accounting policies

a) Taxatlon

Tax on the profit or loss for the year comprises current tax.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

There is no deferred tax.

b) Other receivables and other payables

Other receivables and other payables due within one year are not interest bearing and are recognised initially at fair value. A provision for impairment of other receivables is established when there is objective evidence that the Company will not be able to collect all amounts due according to the original terms of the receivables.

Loan receivables are included in other receivables and recognised at fair value through profit and loss.

c) Financial instruments

Financial assets and financial liabilities are recognised on the Company's statement of financial position when the Company becomes a party to the contractual provisions of the instrument. They are classified according to the substance of the contractual arrangements entered into.

Borrowings

Borrowing is initially recognised in the statement of financial position at fair value less transaction costs incurred directly in connection with the issue of the instrument. Finance costs in respect of the instruments, including discounts on issue, are capitalised at inception and charged to the Income statement over the term of the instrument using the effective interest method. In subsequent periods, debt is recognised at amortised cost.

d) Finance income

Interest receivable relates to interest received from a fellow subsidiary undertaking under an Issuer / Borrower Loan Agreement (IBLA) which permits the Company to recharge its expenses.

e) Finance costs

Finance costs comprise interest payable and amortisation of debt issue fees.

3 AUDITOR REMUNERATION

Auditor remuneration in respect of the audit of the Company's financial statements for the period ended 31 January 2016 amounted to £20,000 (2015: £20,000). The Company's auditor provided no services to the Company other than the annual audit during the period under review.

In order to show the Company's net borrowing, the notes and the issue costs have been offset. Issue costs are shown net of any premium on the issue of borrowings. All borrowings have fixed interest rates.

All of the Class A notes are secured by first ranking security in respect of the undertakings and assets of AA Intermediate Co Limited and its subsidiaries. The Class A facility security over the AA Intermediate Co Limited group's assets ranks ahead of the Class B2 notes.

The Class B2 notes have first ranking security over the assets of the immediate parent undertaking of the AA Intermediate Co Limited group, AA Mid Co Limited. AA Mid Co Limited group can only pay a dividend when certain net debt to EBITDA and cashflow criteria are met.

The Class B2 notes have an initial period to 31 July 2018 when any voluntary repayment would incur a make-whole payment and incur all remaining interest due to 31 July 2018. After this period, there is a further two year period when any voluntary repayment would be made at a fixed premium based on the date of redemption. Any voluntary early repayments of the Class A notes, would incur a make-whole payment.

Due to the early repayment of the Class B notes, early repayment fees of £58m were incurred in the year.

Following the repayment of the Class B notes, amortisation of the associated issue fees has been accelerated and an additional £15m (2015: £nil) has been written off in the year.

In order to comply with the requirements of the Class A notes, we are required to maintain the Class A free cash flow to debt service ratio in excess of 1.35x. The Class B2 notes require us to maintain the Class B2 free cash flow to debt service ratio in excess of 1x.

The Class A and Class B2 notes therefore place restrictions on the Group's ability to upstream cash from the key trading companies to pay external dividends and finance activities unconstrained by the restrictions embedded in the financing documents.

The Class A notes only permit the release of cash providing the senior leverage ratio after payment is less than 5.5x and providing there is sufficient excess cash flow to cover the payment. The Class B2 note restrictions came into effect during the 2016 financial year refinancing and only permit the release of cash providing the fixed charge cover ratio after payment is more than 2:1 and providing that the aggregate payments do not exceed 50% of the accumulated consolidated net income.
