NOTES

- Changes brought about by death, by transfer of interests, by increase in the number of partners, or by change of name of any partner, must be notified here.
- If there is, or was, no definite term, then state against 'previous term' the conditions under which the partnership was constituted and against any 'new term' the conditions under which it is now constituted.
- Any variation in the sum contributed by any limited partner must be stated at f. overleaf. A statement of any increase in the amount of the partnership capital, whether arising from increase of contributions, or from introduction of fresh partners must also be stated at h. above.
- Each change must be entered in the proper section a., b., c., d., e., f., g., or h., as the case may be. Provision is made in this form for notifying all the changes required by the Act to be notified, but it will frequently happen that only one item of change has to be notified. In any such case, the word 'Nil' should be inserted in the other sections.
- The statement must be signed at the end by the firm, and delivered for registration within seven days of the changes taking place.
