EeBee Partners LLP

Report of the members for the year ended 31 March 2020

The Board of EeBee Partners LLP present their report and the financial statements for the year ended 31 March 2020.

Principal activity and review of the business

The organisation was an International Built Asset Consultancy up until the sale of its business to Arcadis NV on 4 November 2011 upon which it ceased to trade. In consequence, the members believe that the going concern basis is no longer appropriate.

The result for the year before members' remuneration charged as an expense amounted to a profit of £168 (2019 – loss £41).

The Representatives Committee considers the LLP's financial position at the end of the year to be satisfactory with the assets available sufficient to meet its liabilities.

Designated members

The designated members during the year were:

P A Youell
R M Harragin
P V Madden

Transactions with members

The members participate fully in the firm's profit and share the risks.

The firm's drawings policy allows each member to draw their profit in two six monthly instalments with the balance of their profits, net of a tax retention, paid in the subsequent year. All payments are made subject to the cash requirements of the business. Tax retentions are paid to HM Revenue and Customs on behalf of members with any excess being released to members as appropriate.

Members' responsibilities

The members are responsible for preparing the members' report and financial statements in accordance with applicable law and regulation.

The Limited Liability Partnerships (Accounts and Audit) (Application of the Companies Act 2006) Regulations 2008 require the members to prepare financial statements for each financial year. Under these regulations the members have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under these regulations the members must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Limited Liability Partnership and of the profit or loss of the Limited Liability Partnership for that period.

Report of the members for the year ended 31 March 2020 (*Continued*)

Members' responsibilities (continued)

In preparing these financial statements, the members are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Limited Liability Partnership will continue in business. As explained in note 1 to the financial statements, the members do not believe the going concern basis to be appropriate and these financial statements have not been prepared on that basis.

The members are responsible for keeping adequate accounting records that are sufficient to show and explain the Limited Liability Partnership's transactions, disclose with reasonable accuracy at any time the financial position of the Limited Liability Partnership, and enable them to ensure that the financial statements comply with the Limited Liability Partnerships (Accounts and Audit) (Application of the Companies Act 2006) Regulations 2008. They are also responsible for safeguarding the assets of the Limited Liability Partnership and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

On behalf of the members

Notes forming part of the financial statements for the year ended 31 March 2020

1 Accounting policies

The financial statements have been prepared under the historical cost convention.

Pension costs

Members of EeBee Partners LLP are required to make their own provision for pensions by contribution to personal pension plans.

Income tax

Income tax payable on the LLP's profits is solely the personal liability of the individual members and consequently is not dealt with in these financial statements.

Other income

Other income comprises the refund of bank charges paid in in previous accounting periods.

Allocation of profits and drawings

The firm's drawings policy allows each member to draw their profit in two six monthly instalments with the balance of their profits, net of a tax retention, paid in the subsequent year. All payments are made subject to the cash requirements of the business. Tax retentions are paid to HM Revenue and Customs on behalf of members with any excess being released to members as appropriate. To the extent that interim profit allocations exceed drawings then the excess profit is included in the balance sheet under "Loans and other debts due to members". Where drawings exceed the allocated profits then the excess is included in Debtors.

The final allocation of profits and distribution to members is made once the annual financial statements are approved. Unallocated profits are included in "Other reserves" within "Members' other interests".

Foreign currencies

Assets and liabilities expressed in foreign currencies are translated at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated at the rate ruling at the date of the transaction. Differences arising are dealt with in the profit and loss account.
