# LL CH01 - Supplementary Guidance

## Change of details of a member of a Limited Liability Partnership (LLP)

### Supplementary guidance

*In completing this form you will need to know how the operation of the register of members and register of members' residential addresses kept by the LLP affects it.*

### **A** Entries for a member

LLPs have to keep two registers of members:

- The register of member, which will contain all the members' particulars except for the residential address, and
- The register of members' residential addresses.

You must inform Companies House of both addresses for each of your members. We put the service address on the public register, but keep the residential address secure and only allow certain people to see it.

If the two addresses are the same for a member, you can enter the service address in the register of members', and simply enter "same as service address" in the register of members' residential addresses.

### **B** Changes of address where you have used the "same as service address" facility

#### **B1. Changing both addresses to the same address**

If the member is changing both addresses to the same new address, the registers will look as follows:

##### - Register of members

**Original entry:**

1 High Street  
Anytown.  
AN1 1AA

**New entry:**

2 Low Street  
Anytown  
AN1 1BB

##### - Register of members' residential addresses

**Original entry:**

"Same as service address"

**New entry:**

Residential address remains the same as the service address. There is no need for a new entry in the register as the existing "same as" entry is still correct.

You must complete form LL CH01 and enter the new service address in **Section 5**. As the entry in your residential address register has not changed (because it is still the "same as" the service address), you would tick the box in **Section 5** (confirming that there has been no change to the register of members' residential addresses). You would not then complete **Section 5a**.

#### **B2. Change of service address only**

If the member is only moving his service address, and not moving his residential address as well, the registers will look as follows:

##### - Register of members

**Original entry:**

1 High Street  
Anytown  
AN1 1AA

**New entry:**

2 Low Street  
Anytown  
AN1 1BB

##### - Register of members' residential addresses

**Original entry:**

"Same as service address"

**New entry:**

1 High Street  
Anytown  
AN1 1AA

You must complete form LL CH01 and enter in **Section 5** the new service address. As the entry in your members' residential address register has changed, (because it is not now the "same as" the service address), you do not tick the box (as there has been a change in the register of residential addresses). You need to complete **Section 5a** with the residential address.

#### **B3. Change of residential address only**

If, however, the member is only moving his residential address, and not moving his service address as well, the registers will look as follows:

##### - Register of members

**Original entry**

1 High Street  
Anytown  
AN1 1AA

**New entry**

1 High Street  
Anytown  
AN1 1AA

##### - Register of members' residential addresses

**Original entry**

"Same as service address"

**New entry**

2 Low Street  
Anytown  
AN1 1BB

You must complete form LL CH01. Do not complete the service address or tick the box in **Section 5** as the usual residential address is now not the same as the service address. The entry in the register of members' residential addresses has changed, so you need to complete **Section 5a** with the residential address.

### **C** Changes of address where the addresses are different

If the addresses in the two registers are different you will need to fill in the appropriate part of the form to record any address changes. So, if only the service address changes, you only complete **Section 5** and tick the box to show there has been no change to the register of residential addresses. If only the residential address changes, you only fill in **Section 5a**. If both addresses change you would complete **Section 5**, but not tick the box (to show that there has been a change in the register of members' residential addresses), and then fill in **Section 5a**.
