Statement of Responsibilities of the Members in the Preparation of the Financial Statements

The members are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008 (the 2008 Regulations) requires the members to prepare financial statements for each financial year. Under the law the members have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law).

Under the 2008 Regulations, the members must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the partnership and of the profit or loss of the partnership for that period.

In preparing those financial statements, the members are required to:

- a) Select suitable accounting policies and then apply them consistently;
- b) Make judgements and estimates that are reasonable and prudent;
- c) Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the partnership will continue in business.

Under the 2008 Regulations the members are responsible for keeping adequate accounting records that are sufficient to show and explain the partnership's transactions and disclose with reasonable accuracy at any time the financial position of the partnership and to enable them to ensure that the financial statements comply with the requirements of those Regulations. They are also responsible for safeguarding the assets of the partnership and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The members are responsible for the maintenance and integrity of the corporate and financial information included on the partnership's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

These responsibilities are exercised by the designated members on behalf of the members.

Members' participation rights in the earnings or assets of the LLP are analysed between those that are, from the LLP's perspective, either a financial liability or equity, in accordance with FRS 25 (IAS 32) Financial Instruments: Disclosure and Presentation and UITF abstract 39 Members' shares in co-operative entities and similar instruments.
