CASS ENTREPRENEURSHIP FUND LLP

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019

1. General information

Cass Entrepreneurship Fund LLP is a limited liability partnership domiciled and incorporated in England and Wales.

The address of the LLP's registered office and principal place of business is 106 Bunhill Row, London, EC1Y 8TZ.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Section 1A of Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006 and the requirements of the Statement of Recommended Practice "Accounting by Limited Liability Partnerships".

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgment in applying the LLP's accounting policies (see note 3).

Monetary amounts in these financial statements are stated in pounds sterling and are rounded to the nearest whole £1, except where otherwise indicated.

The following principal accounting policies have been applied:

2.2 Revenue

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the LLP and the revenue can be reliably measured. Revenue is measured as the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

Specifically, fees earned by the Fund, comprising arrangement and monitoring fees, are recognised as they fall due from portfolio companies. Costs, primarily representing professional and administration costs, are recognised as they are billed or incurred, whichever is former.

2.3 Valuation of investments

Investments in company shares are measured at cost less accumulated impairment.

2.4 Debtors

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

2.5 Cash

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours.

2.6 Creditors

Short term creditors are measured at the transaction price.

2.8 Annual profits and losses

Profits arising after the absorption of accumulated losses are divided between members and credited to the members' current accounts with the LLP following approval of the annual financial statements for the relevant year by the Members.

Losses are accumulated within other reserves.

3. Judgements in applying accounting policies and key sources of estimation uncertainty

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

In determining the value of the investments held by the LLP, the members consider all relevant available information. The members will use their judgement and apply their experience within the industry and markets to ensure that the investments are measured at cost less any deemed impairment.
