The financial statements have been prepared on a going concern basis, under the historical cost convention and in accordance with Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the Company's accounting policies (see note 3).

The following principal accounting policies have been applied consistently throughout the year:

2.2 Financial Reporting Standard 102 - reduced disclosure exemptions

The Company has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by the FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland":

2.3 Financial assets

Basic financial assets, including trade and other receivables, and cash and bank balances are initially recognised at transaction price. Such assets are subsequently carried at amortised cost using the effective interest method.

At the end of each reporting period financial assets measured at amortised cost are assessed for objective evidence of impairment. If an asset is impaired the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in profit or loss.

2.4 Share capital

Ordinary shares are classified as equity.

Although these estimates are based on management's best knowledge of the amount, event or actions, actual results ultimately may differ from those estimates. Significant judgements and estimates in these financial statements have been made with regard to the recoverability of trade receivables. An explanation of key uncertainties or assumptions used by the management in accounting for these items is explained, where material, in the respective notes.
