1. Report of the Directors

The Directors present their annual report and audited accounts for the year ended 30 September 1995.

2. Business Review

The Company's principal activity is that of property investment. The Company continued to generate profits during the year on its investment portfolio. The year end position is satisfactory.

3. Dividends

The Directors do not recommend the payment of a dividend. The profit for the year of £30,543 will be transferred to reserves.

4. Directors

The names of the present Directors are listed on page 1.

5. Directors' Responsibilities

Company law requires the Directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing those financial statements, the Directors are required to:-

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Directors confirm that these financial statements comply with the aforementioned requirements.

REPORT OF THE AUDITORS
TO THE MEMBERS OF WEST REGISTER (PROPERTY INVESTMENTS)
LIMITED

We have audited the accounts on pages 6 to 12 in accordance with Auditing Standards.

Respective responsibilities of Directors and Auditors

As described on page 2 the Company's Directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the Directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the Company's affairs at 30 September 1995 and of its profit and total recognised gains for the period then ended and have been properly prepared in accordance with the Companies Act 1985.

NOTES ON THE FINANCIAL STATEMENTS

1. PRINCIPAL ACCOUNTING POLICIES

The accounts have been prepared in accordance with applicable Accounting Standards in the United Kingdom. A summary of the more important accounting policies is set out below.

(a) Basis of Accounting

The accounts are prepared under the historical cost convention and in compliance with the Companies Act 1985.

(b) Taxation

Provision is made for taxation at the current rates on taxable profits.

(c) Deferred Taxation

Deferred taxation is provided on timing differences, arising from the different treatment of items for accounting and taxation purposes, which are expected to reverse in the future, calculated at the rates at which it is expected that tax will arise.

(d) Rental Receivable

Rental Receivable represents the total value of rents receivable, exclusive of value added tax.

(e) Investment Properties

Investment properties are revalued to open market value annually and the aggregate surplus or deficit is transferred to a revaluation reserve. Any permanent diminution in the value of investment properties is charged to the profit and loss account to the extent that a deficit exceeds revaluation surpluses.

No depreciation is provided in respect of freehold and leasehold (with over 20 years to run) investment properties. The Directors consider that this accounting policy results in the accounts giving a true and fair view. Depreciation is only one of many factors reflected in the valuation and the amount which might otherwise have been shown cannot be separately identified or quantified.
