Calls and Other Obligations

- 9.14 The Chargor shall promptly pay all calls, instalments and other amounts that may be or become due and payable in respect of all or any part of the Charged Assets and, if it fails to do so, the Lender may elect (but shall not be obliged) to pay such amounts on behalf of the Chargor. Any amounts so paid by the Lender shall be reimbursed by the Chargor to the Lender on demand and shall carry interest at the rate specified in Clause 2.2 (*Interest*) from the date of payment by the Lender up to and including the date of reimbursement by the Chargor (after as well as before any judgment).

- 9.15 The Chargor shall comply with, and shall remain liable to observe and perform, all of the other conditions and obligations assumed by it in respect of all or any part of the Charged Assets.

Acquisition of Charged Assets

- 9.16 The Chargor shall promptly notify the Lender of:
- 9.16.1 its acquisition of, or of its agreement to acquire, any Shares; and
 - 9.16.2 the accrual, offer or issue of any Related Rights and shall, if requested by the Lender, acquire (by payment or otherwise) any Related Rights if failure to take up such Related Rights might, in the opinion of the Lender, prejudice the value to the Lender of, or the ability of the Lender to realise, the security constituted or intended to be constituted by this Charge.

New Shares

- 9.17 The Chargor shall not take or allow the taking of any action which may result in any shares in the capital of the Company being issued after the date of this Charge (other than to the Chargor).

Articles

- 9.18 The Chargor shall comply in all respects with the terms of the articles of association of the Company.

Deposit of Deeds

- 9.19 The Chargor shall promptly upon request by the Lender deposit with the Lender all deeds, certificates and documents of title relating to the Charged Assets or any part of them.

Not Jeopardise Security

- 9.20 The Chargor shall not do or cause or permit to be done anything which might in any way depreciate, jeopardise or otherwise prejudice the value to the Lender of the security constituted or intended to be constituted by this Charge, except to the extent expressly permitted by the terms of this Charge.

10. Enforcement of Security

When Security becomes Enforceable

- 10.1 The security constituted by this Charge shall become immediately enforceable at any time after the occurrence of an Enforcement Event.
- 10.2 At any time after the security constituted by this Charge has become enforceable, the Lender may in its absolute discretion be entitled (but not obliged) to exercise all and/or any rights and powers in relation to all or any of the Charged Assets which could be exercised by the absolute owner thereof, including the power to:
- 10.2.1 sell, call in, collect, convert into money or otherwise dispose of all or any of the Charged Assets with full power on giving notice to the Chargor to such effect to sell any of the same either together or in parcels and either by public auction or private contract and for such consideration (whether in cash, securities or other assets and whether deferred or not) as the Lender may think fit and with full power to buy in or rescind or vary any contract of sale of all or any of the Charged Assets and to resell the same without being responsible for any loss which may be occasioned thereby and for the purposes aforesaid or any of them to execute and do all such assurances and things as it shall think fit;

- 10.2.2 receive all or any money payable in respect of or in connection with all or any of the Charged Assets; and
- 10.2.3 negotiate, compromise and/or agree any dispute arising out of all or any of the Charged Assets.

Right of Appropriation

- 10.3 At any time after this Charge has become enforceable, the Lender shall have the right to appropriate all or any part of the Charged Assets in or towards the payment or discharge of the Secured Liabilities.
- 10.4 To the extent that any of the Charged Assets constitutes “**financial collateral**” and this Charge and the obligations of the Chargor under this Charge constitute a “**security financial collateral arrangement**” (in each case as defined in, and for the purposes of, the Financial Collateral Arrangements (No. 2) Regulations 2003 (SI 2003 No. 3226) (the “**Regulations**”)), the Lender shall have the right, at any time after the security constituted by this Charge has become enforceable, to appropriate all or any part of such financial collateral in or towards discharge of the Secured Liabilities. For this purpose, the parties agree that the value of such financial collateral shall be the market price of such securities determined by the Lender by reference to a public index or by such other process as the Lender may select, including independent valuation. In each case, the parties agree that the manner of valuation provided for in this Clause 10.4 (*Right of Appropriation*) shall constitute a commercially reasonable manner of valuation for the purposes of the Regulations.
- 10.5 The Lender may exercise all or any of the powers referred to in this Charge in such manner and to such extent as the Lender considers appropriate (in its sole discretion) and in particular (but without limitation to the generality of the foregoing) shall not be under any duty to maximise the proceeds arising from the Charged Assets.
- 10.6 Neither the Lender nor the Nominee shall be liable to account to the Chargor except in respect of the actual receipts of the Lender or the Nominee and shall not be liable to the Chargor for any loss or damage arising from the exercise by the Lender or the Nominee of all or any of the powers conferred by this Charge.

Redemption of Prior Security Interests

- 10.7 At any time after the security constituted by this Charge has become enforceable, the Lender may at any time:
 - 10.7.1 redeem any prior Security Interest over any Charged Assets;
 - 10.7.2 procure the transfer of that Security Interest to the Lender; or
 - 10.7.3 settle and pass the accounts of the person or persons entitled to such Security Interest (and any accounts so settled and passed shall be conclusive and binding on the Chargor).
- 10.8 All principal moneys, interest, costs, charges and expenses of and incidental to any such redemption or transfer shall be paid by the Chargor to the Lender on demand and shall be secured by this Charge.

11. Discretions and Delegation

Discretion

- 11.1 Any liberty or power which may be exercised or any determination which may be made under this Charge by the Lender may be exercised or made in its absolute and unfettered discretion without any obligation to give reasons.

Delegation

- 11.2 The Lender may delegate (either generally or specifically) by power of attorney or in any other manner to any person any right, power, authority or discretion conferred on it by this Charge (including the power of attorney).
- 11.3 Any such delegation may be made upon such terms and conditions (including the power to sub-delegate) as the Lender shall think fit.
- 11.4 The Lender shall not be in any way liable or responsible to the Chargor for any loss or liability arising from any act, default, omission or misconduct on the part of any Delegate.

12. Power of Attorney

Appointment and Powers

- 12.1 The Chargor, by way of security, irrevocably appoints the Lender and every Delegate severally and independently to be its attorney and in its name, on its behalf and as its act and deed to execute, deliver and perfect all documents and do all things which the attorney may consider to be required or desirable for:
- 12.1.1 carrying out any obligation imposed on the Chargor by this Charge; and/or
 - 12.1.2 enabling the Lender or any Delegate to exercise, or delegate the exercise of, any of the rights, powers, authorities and discretions conferred on it or him by or pursuant to this Charge or by law (including the exercise of any right of an owner of the Charged Assets).

Ratification

- 12.2 The Chargor shall ratify and confirm whatever any attorney does or purports to do pursuant to its appointment under Clause 12.1 (*Appointment and Powers*).

13. Protection of Purchasers

Consideration

- 13.1 The receipt of the Lender or any Delegate shall be a conclusive discharge to a purchaser and, in making any sale or other disposal of any of the Charged Assets (including a disposal by a Delegate to any subsidiary of the Chargor) or in making any acquisition in the exercise of their respective powers, the Lender and every Delegate may do so for such consideration, in such manner and on such terms as it or he thinks fit.

Protection of Third Parties

- 13.2 No person (including a purchaser) dealing with the Lender or any Delegate shall be bound to enquire:
- 13.2.1 whether the Secured Liabilities have become payable;

13.2.2 whether any power which the Lender or any Delegate is purporting to exercise has arisen or become exercisable;

13.2.3 whether any money remains due under the Finance Documents; or

13.2.4 how any money paid to the Lender or to any Delegate is to be applied,

or shall be concerned with any propriety, regularity or purpose on the part of the Lender or any Delegate in such dealings or in the exercise of any such power.

14. Application of Proceeds

Order of Application

14.1 All moneys received or recovered by the Lender or any Delegate pursuant to this Charge, after the security constituted by this Charge has become enforceable, shall (subject to the claims of any person having prior rights thereto and to the terms of section 60 of the Insolvency Act 1986 and other applicable laws) be applied in the following order (but without prejudice to the right of the Lender to recover any shortfall from the Chargor):

14.1.1 in or towards payment of all costs, losses, liabilities and expenses of and incidental to the appointment of any Delegate and the exercise of any of his rights and powers, including his remuneration, and all outgoings paid by him;

14.1.2 in or towards payment of all other Expenses;

14.1.3 in or towards payment of all other Secured Liabilities or such part of them as is then due and payable in such order as the Lender may select; and

14.1.4 in payment of the surplus (if any) to the Chargor or other person entitled to it.

14.2 Clause 14.1 (*Order of Application*) will override any appropriation made by the Chargor.

New Accounts

14.3 If the Lender at any time receives, or is deemed to have received, notice of any subsequent Security Interest or other interest affecting any Charged Assets, the Lender may open a new account with the Chargor.

14.4 If the Lender does not open a new account, it shall nevertheless be treated as if it had done so at the time when it received, or was deemed to have received, such notice. As from that time all payments made by or on behalf of the Chargor to the Lender shall be credited or be treated as having been credited to the new account of the Chargor and not as having been applied in reduction of the Secured Liabilities.

Currency Conversion

14.5 For the purpose of or pending the discharge of any of the Secured Liabilities, the Lender may (in its absolute discretion) convert any moneys received or recovered by the Lender or any Delegate pursuant to this Charge or any moneys subject to application by the Lender or any Delegate pursuant to this Charge from one currency to another and any such conversion shall be made at the Lender's Spot Rate of Exchange for the time being for obtaining such other currency with the first currency and the Secured Liabilities shall be discharged only to the extent of the net proceeds of such conversion realised by the Lender. Nothing in this Charge shall require the Lender to make, or shall impose any duty of care on the Lender in respect of, any such currency conversion.

15. No Liability

15.1 Neither the Lender nor any Delegate shall in any circumstances (either by reason of entering into or taking possession of any Charged Assets or for any other reason and whether as creditor, heritable creditor or mortgagee in possession or on any other basis) be liable to account to the Chargor for anything, except actual receipts, or be liable to the Chargor for any costs, charges, losses, liabilities or expenses arising from the realisation of any Charged Assets or from any act, default or omission of the Lender, any Delegate or any of their respective officers, agents or employees in relation to the Charged Assets or from any exercise or purported exercise or non-exercise by the Lender or any Delegate of any power, authority or discretion provided by or pursuant to this Charge or by law or for any other loss of any nature whatsoever in connection with the Charged Assets, the Finance Documents or this Charge.

15.2 If the Lender or any Delegate enters into or takes possession of the Charged Assets, it or he may, to the extent permitted by law and in accordance with applicable law, at any time relinquish possession.

16. Set-Off

16.1 Without limiting any other rights conferred on the Lender by law or by any other agreements entered into with the Chargor, the Lender may (but shall not be obliged to) set off any matured obligation due from the Chargor under this Charge (to the extent beneficially owned by the Lender) or owed by the Borrower to any Affiliate of the Lender (to the extent beneficially owned by that Affiliate) against any obligation (whether matured or not) owed by the Lender to the Chargor, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the Lender may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off. If the obligation owed by the Lender is unliquidated or unascertained, the Lender may set off in an amount estimated by it in good faith to be the amount of that obligation.

17. Effectiveness of Security

Continuing Security

17.1 The security constituted by this Charge shall remain in full force and effect as a continuing security for the Secured Liabilities, unless and until discharged by the Lender, and will extend to the ultimate balance of all the Secured Liabilities regardless of any intermediate payment or discharge in whole or in part.

Cumulative Rights

17.2 The security constituted by this Charge and all rights, powers and remedies of the Lender provided by or pursuant to this Charge or by law shall be cumulative and in addition to, and independent of, any other guarantee or Security Interest now or subsequently held by the Lender for the Secured Liabilities or any other obligations or any rights, powers and remedies provided by law. No prior Security Interest held by the Lender over the whole or any part of the Charged Assets shall be superseded by, or supersede or merge into, the security constituted by this Charge.

Reinstatement

17.3 If any discharge, release or arrangement (whether in respect of the obligations of the Chargor or any Security Interest for those obligations or otherwise) is made by the Lender in whole or in part on the faith of any payment, Security Interest or other disposition which is avoided or must be restored in bankruptcy, insolvency, liquidation, administration or otherwise, without limitation, then the liability of the Chargor under, the security constituted by this Charge will continue or be reinstated as if the discharge, release or arrangement had not occurred.

- 17.4 The Lender may concede or compromise any claim that any payment or any discharge is liable to avoidance or restoration.

Immediate Recourse

- 17.5 The Chargor waives any right it may have of first requiring the Lender to proceed against or enforce any other rights or Security Interest or claim payment from any person or file any proof or claim in any insolvency, administration, winding up or liquidation proceedings relating to any person before claiming from it under this Charge. This waiver applies irrespective of any law or any provision of any agreement, account arrangement, transaction or engagement entered into by the Chargor with the Lender to the contrary.

Appropriations

- 17.6 Until all the Secured Liabilities which may be or become payable by the Chargor under or in connection with this Charge have been irrevocably paid, performed and discharged in full, the Lender may:

17.6.1 without affecting the liability of the Chargor under this Charge:

- (a) refrain from applying or enforcing any other moneys, Security Interest or rights held or received by it in respect of the Secured Liabilities; or
- (b) apply and enforce the same in such manner and order as it sees fit (whether against the Secured Liabilities or otherwise) and the Chargor shall not be entitled to direct the appropriation of any such moneys, Security Interest or rights or to enjoy the benefit of the same; and/or

17.6.2 hold in a suspense account any moneys received from or on behalf of the Chargor or on account of the Chargor's liability in respect of the Secured Liabilities. Amounts standing to the credit of any such suspense account shall bear interest at a rate considered by the Lender to be a fair market rate.

18. Payments

Manner of Payments

- 18.1 The Chargor shall make all payments required to be made by it under this Charge available to the Lender (unless a contrary indication appears in this Charge) for value on the due date at the time and in such funds specified by the Lender as being customary at the time for settlement of transactions in the relevant currency in the place of payment. Payment shall be made in the currency in which the relevant indebtedness is denominated or, if different, is expressed to be payable and to such account in the principal financial centre of the country of that currency and with such bank as the Lender specifies.

No Set-off by Chargor

- 18.2 All payments to be made by the Chargor under this Charge shall be calculated and be made without (and free and clear of any deduction for) set-off or counterclaim.

Tax Gross-Up

- 18.3 The Chargor shall make all payments to be made by it under this Charge without any deduction or withholding for or on account of tax, unless such a deduction or withholding is required by law. The Chargor, promptly upon becoming aware that it must make such a deduction or withholding (or that there is any change in the rate or the basis of such a deduction or withholding), shall notify the Lender accordingly.

- 18.4 If a deduction or withholding for or on account of tax from a payment under this Charge is required by law to be made by the Chargor, the amount of the payment due from the Chargor shall be increased to an amount which (after making any such deduction or withholding) leaves an amount equal to the payment which would have been due if no such deduction or withholding had been required.
- 18.5 If the Chargor is required to make a deduction or withholding for or on account of tax from a payment under this Charge, the Chargor shall make that deduction or withholding and any payment required in connection with that deduction or withholding within the time allowed and in the minimum amount required by law. Within thirty days of making such a deduction or withholding or any payment required in connection with that deduction or withholding, the Chargor shall deliver to the Lender evidence reasonably satisfactory to the Lender that the deduction or withholding has been made or (as applicable) any appropriate payment paid to the relevant taxing authority.

Deposits

- 18.6 Without prejudice to any right of set-off which the Lender may have under any Finance Document or otherwise, if any time deposit matures on any account the Chargor has with the Lender at any time when:
- 18.6.1 the security constituted by this Charge has become enforceable; and
- 18.6.2 no amount of the Secured Liabilities is due and payable,
- that time deposit shall automatically be renewed for any further maturity which the Lender considers appropriate.

19. Certificates and Determinations

- 19.1 Any certificate or determination by the Lender of a rate or an amount under this Charge is, in the absence of fraud or manifest error, conclusive evidence of the matters to which it relates.

20. Partial Invalidity

- 20.1 If, at any time, any provision of this Charge is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions of this Charge nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired and, if any part of the security constituted, or intended to be constituted, by this Charge is invalid, unenforceable or ineffective for any reason, that shall not affect or impair any other part of the security.

21. Remedies and Waivers

- 21.1 No failure to exercise, nor any delay in exercising, on the part of the Lender, any right or remedy under this Charge shall operate as a waiver, nor shall any single or partial exercise of any right, remedy or power prevent any further or other exercise or the exercise of any other right, remedy or power. The rights, remedies and powers provided in this Charge are cumulative and not exclusive of any rights, remedies or powers provided by law.
- 21.2 Any amendment, waiver or consent by the Lender under this Charge must be in writing and may be given subject to any conditions thought fit by the Lender. Any waiver or consent shall be effective only in the instance and for the purpose for which it is given.

22. Notices

Communications in Writing

- 22.1 Any communication to be made under or in connection with this Charge shall be made in writing and, unless otherwise stated, may be made by fax or letter.

Addresses

- 22.2 The address and fax number (and the department or officer, if any, for whose attention the communication is to be made) of the Lender and the Chargor for any communication or document to be made or delivered under or in connection with the Finance Documents is:

Fax: [REDACTED]

or any substitute address, fax number or department or officer as the Chargor may notify to the Lender (or the Lender may notify to the Chargor, if a change is made by the Lender) by not less than five Business Days' notice.

Delivery

- 22.3 Any communication or document made or delivered by one person to another under or in connection with the Finance Documents will only be effective:

- 22.3.1 if by way of fax, when received in legible form;
- 22.3.2 if by way of letter, when it has been left at the relevant address or five Business Days after being deposited in the post postage prepaid in an envelope addressed to it at that address;
- 22.3.3 if by way of letter from the Borrower to the Lender, if it is made by recorded delivery post (or equivalent); and
- 22.3.4 if a particular department or officer is specified as part of its address details provided under Clause 22.2 (*Addresses*), if addressed to that department or officer.

- 22.4 Any communication or document to be made or delivered to the Lender will be effective only when actually received by the Lender and then only if it is expressly marked for the attention of the department or officer identified with the Lender's name (or any substitute department or officer as the Lender shall specify for this purpose).

23. Assignment

- 23.1 The Lender may assign, charge or transfer all or any of its rights under this Charge without the consent of the Chargor. The Lender may disclose any information about the Chargor and this Charge as it shall consider appropriate to any actual or proposed direct or indirect successor or to any person to whom information is required to be disclosed by any applicable law or regulation. The Chargor may not assign, charge, transfer or otherwise dispose of any part of the benefit or burden of this Charge or all or any of its rights under this Charge without prior written consent of the Lender.

24. Consent to Registration

- 24.1 The Chargor consents to the registration of this Charge and each certificate referred to in Clause 19 (*Certificates and Determinations*) for preservation and execution.

25. Date, Counterparts and Delivery

- 25.1 Where executed in counterparts:

25.1.1 this Charge shall not take effect until all of the counterparts have been delivered; and

25.1.2 delivery will take place when the date of delivery is agreed between the parties after execution of this Charge as evidenced by the date inserted at the start of this Charge.

- 25.2 Where not executed in counterparts this Charge shall take effect after its execution upon the date agreed between the parties as evidenced by the date inserted at the start of this Charge.

26. Governing Law and Jurisdiction

Governing law

- 26.1 This Charge and any non-contractual obligations arising out of or in connection with it are governed by the law of Scotland.

Jurisdiction

- 26.2 The courts of Scotland have exclusive jurisdiction to settle any dispute arising out of or in connection with this Charge (including a dispute relating to the existence, validity or termination of this Charge or any non-contractual obligation arising out of or in connection with this Charge) (a “Dispute”).

- 26.3 The parties to this Charge agree that the courts of Scotland are the most appropriate and convenient courts to settle Disputes and accordingly it will not argue to the contrary or take proceedings relating to a Dispute in any other courts.

- 26.4 Clauses 26.2 and 26.3 (*Jurisdiction*) above are for the benefit of the Lender only. As a result, the Lender shall not be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Lender may take concurrent proceedings in any number of jurisdictions.

Waiver of Immunity

- 26.5 To the extent that the Chargor may in any jurisdiction claim for itself or its assets immunity from suit, execution, attachment (whether in aid of execution, before judgment or otherwise) or other legal process and to the extent that in any such jurisdiction there may be attributed to itself or its assets such immunity (whether or not claimed), the Chargor irrevocably agrees not to claim and irrevocably waives such immunity to the fullest extent permitted by the laws of that jurisdiction.
