DIRECTORS' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED)

FOR THE YEAR ENDED 31 OCTOBER 2019

The board has continued the policy of building up a strategic cash reserve over this financial year, with a view to being able to support local redevelopment being planned at this time. The Trust Board noted that we are a quarter of the way in to the Alt Dearg Wind Farm income and wish to leave a lasting legacy for the village in the future. As stated before this will strengthen the Trust and its members position in any future plans for the village.

It should also be noted that of the cash reserves held by the Trust, a figure of £6,248 has been reserved and agreed to go towards projects currently under way, but the money has not yet been spent.

It is the policy of the trust that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six months anticipated expenditure above the strategic reserve. The directors consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the Trust's current activities while consideration is given to ways in which additional funds may be raised. In order not to compromise the Trust's charitable status the accounts need to show that the assets are sufficient to enable the Trust to repay its borrowings.

The directors have assessed the major risks to which the the trust is exposed and are satisfied that systems are in place to mitigate exposure to the major risks.

Impact of COVID-19

The Trustees have considered carefully the impact of COVID-19 on the Trust. The Trustee's believe that whilst there will be a reduction in rental income during the year (as a consequence of lockdown and planned renovation work to the Public Hall being delayed) this is offset by the continual gift-aid donations received from its subsidiary which is continuing to operate as expected.

The Trustees believe, given the significant amount of unrestricted funds held by the Charity, that there is sufficient resources for the Charity to meet its ongoing charitable obligations should the rental income generated by the halls fail to be in line with last year.

It is the intention of the Trustees to continue to carry out the purposes of the Trust.

Future plans include consolidating, fulfilling and developing the Trust's present objectives. It is anticipated that the income derived from the wind farm will be in excess of £80,000 per annum.

Structure, governance and management

The charity is constituted as "incorporated by guarantee and not having share capital", governed by its Memorandum and Articles of Association. It is recognised as a charity for the purposes of s505 ICTA 1988 and is entitled under chapter 2 paragraph 13 of The Charities and Trustee Investment (Scotland) Act 2005 to describe itself as a Scottish Charity.

The members of the trust who were elected to serve as directors during the year were:

Mr Arthur Barclay
Mr Duncan Broadfoot
Mr Edward Laughton
Mr Hamish Nicol
Mrs Linda Quelch
Mrs Lynn Gorrie

Directors are elected by the membership of the trust.

None of the directors have any beneficial interest in the company. All of the directors are members of the company and guarantee to contribute £1 in the event of a winding up.

INDEPENDENT EXAMINER'S REPORT

TO THE DIRECTORS OF ARDRISHAIG COMMUNITY TRUST

I report on the financial statements of the the trust for the year ended 31 October 2019, which are set out on pages 5 to 19.

Respective responsibilities of directors and examiner

The directors, who also act as trustees for the charitable activities of the Trust, are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. The directors consider that the audit requirement of Regulation 10 (1) (a) to (c) of the Accounts Regulations does not apply.

Basis of independent examiner's statement

My examination was carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the directors concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by these accounts.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
 - (i) to keep accounting records in accordance with section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
 - (ii) to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations;have not been met or
- (b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

1 Accounting policies

(Continued)

1.6 Property, plant and equipment

Property, plant and equipment are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

1.9 Cash and cash equivalents

Financial instruments are recognised in the trust's balance sheet when the trust becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include trade and other receivables and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade payables are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the trust's contractual obligations expire or are discharged or cancelled.

2 Critical accounting estimates and judgements

In the application of the trust's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
