*The structure of the company consists of*

FULL MEMBERS - who have the right to attend the general meeting and have powers to elect people to serve as directors and take decisions for the charity

**Report of the directors (incorporating the trustees' report)**  
**for the year ended 31 March 2017**

**Objectives and activities**

*The company's objects are:*

*to advance education, training or pass on skills in traditional boat building and boat maintenance*

*to encourage the preservation of the traditional wooden working boats of Tiree and the maritime heritage that surrounds them*

*to encourage local interest in the maritime heritage of Tiree as a recreational activity in the interest of social welfare*

**Activities and Achievements**

The Trust continued to maintain its dipping lug sail boats with work undertaken at the Noust boathouse in the spring. As part of our Community Sailing Programme we held a Sail Training weekend to introduce new members of the community to sailing. We also organised weekly sailing nights in May and June.

On Friday 27th May 2016 we held an Open Afternoon at the Noust, to promote the work of the Maritime Trust. In July we sailed the traditional dipping lug sail boats in preparation for the Annual Regatta.

Tiree Maritime Trust organised and ran the Tiree Annual Regatta, which was held on Saturday 30th July 2016 in Gott Bay, it was a very successful event promoting interest in Tiree's maritime heritage.

In August 2016 we heard the very sad news that our Director Roger Harold Jarvis had passed away. He had been actively involved in Tiree's maritime heritage and the work of the Trust for a number of years and he will be greatly missed.

**Trustees' responsibilities in relation to the financial statements**

The directors (who are also trustees of Tiree Maritime Trust Limited under charity law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and which enable them to ensure that the financial statements comply with the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Fiona McGlynn of R A Clement Associates was deemed to be reappointed as independent examiner and the directors recommend that Fiona McGlynn remains in office until further notice.

**Small company provisions**

**Independent examiner's report to the directors on the unaudited financial statements of Tiree Maritime Trust Limited.**

I report on the accounts for the year ended 31 March 2017 set out on pages 2 to 15.

This report is made to the charity's Trustees in accordance with the terms of my engagement. My work has been undertaken to enable me to prepare the financial statements on behalf of the charity's Trustees and for no other purpose.

To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's Trustees, as a body, for my work or this report.

**Respective responsibilities of trustees and independent examiner**

The charity's trustees (who are also the directors of the company for purposes of company law) are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 (the Act) and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity's trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act, and to state whether particular matters have come to my attention.

**Basis of Independent examiner's statement**

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006 (as amended). An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

**Independent examiner's statement**

In the course of my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in any material respect the requirements:
  - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Regulations
  - to prepare accounts which agree with the accounting records and comply with Regulation 8 of the 2006 Regulationshave not been met, or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

**Legal Status of the charity**

The charity is governed by its Memorandum & Articles of Association

**1. Accounting policies**

The principal accounting policies adopted are summarised below.

**1.1. Basis of preparation and assessment of going concern.**

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

The financial statements have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended) as well as the Companies Act 2006, and the Statement of Recommended Practice (SORP)- Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (issued on 16 July 2014 and effective January 2015).

The charity meets the definition of a public benefit entity as defined by FRS 102.

The directors, who are the trustees of the charity under charity law, consider that there are no material uncertainties about the Trust's ability to continue as a going concern.

**1.2. Reconciliation with previous Generally Accepted Accounting Practice**

In preparing the accounts, the directors have considered whether in applying the accounting policies required by FRS 102 and the Charities SORP FRS 102, a restatement of comparative items was needed. No restatements were required.

**1.3. Incoming resources**

Income is recognised in the statement of financial activities when the charity is entitled to the income, any performance conditions attached have been met, it is probable that the income will be received and the amount can be quantified with reasonable accuracy. Such income is only deferred when the donor specifies performance conditions which must be met before the charity has unconditional entitlement. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of grants, donations and gifts and is included in full in the statement of financial activities when receivable. Grants where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included.

Gifts donated for resale are included as incoming resources within activities for generating funds when they are sold.

Grants, including grants for the purchase of fixed assets, are recognised in full in the statement of financial activities in the year in which they are receivable.

Income from investments is included in the year in which it is receivable.

**Tiree Maritime Trust Limited**  
**(A company limited by guarantee)**

**Notes to financial statements**  
**for the year ended 31 March 2017**

**1.4. Resources expended**

Expenditure is recognised when there is a legal or constructive obligation committing the charity to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be reliably measured.

All expenditure is accounted for on an accruals basis. All expenses including support costs and governance costs are allocated on an appropriate basis to the various activities of the charity. Where costs cannot be allocated directly, they are apportioned to categories on the basis of a reasonable estimate of the costs.

Fundraising costs are those incurred in generating income from various activities and do not include the costs of disseminating information in support of the charitable activities.

Fundraising costs are those incurred in seeking voluntary contributions and do not include the costs of disseminating information in support of the charitable activities.

Governance costs include those costs necessary for the board to fulfil its constitutional and statutory obligations and are now included as support costs included in charitable activities.

Support costs are those costs incurred directly in support of expenditure on the objects of the charity and include project management.

The charity is not registered for VAT and accordingly expenditure includes all vat which is irrecoverable.

**1.5. Tangible fixed assets and depreciation**

Tangible fixed assets are stated at cost less accumulated depreciation. Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Boathouse	-	Depreciate on completion
Boats	-	5% straight line
Fixtures, fittings and equipment	-	20% straight line
Storage Containers	-	20% straight line from year following purchase

**1.6. Financial Instruments**

The charity has only financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and are subsequently measured at their settlement value with the exception of bank loans which are measured at amortised cost using the effective interest rate method.
