### Report of the directors for the year ended 31 May 2020 (continued)

## Objectives and activities

The objects of the club are:

- a. To foster the advancement of public participation in athletics as a sport (meaning sport which involves physical skill and exertion).
- b. To organise recreational activities with the object of improving the conditions of life for members of the public at large.

In pursuit of these objects the club will:

- a. Offer coaching and competitive opportunities in athletics.
- b. Organise athletics events at local, district and national level.
- c. Promote the club within the local community and Scotland.
- d. Ensure a duty of care to all members of the club.
- e. Ensure that all present and future members receive fair and equal treatment.

### Key management

The directors consider the Board of Directors to be the key management personnel of the club, in charge of directing and controlling the club and running and operating the club on a day to day basis. All directors give of their time freely and no directors remuneration was paid during the period.

Directors are required to disclose all relevant interests and in accordance with the club's policy and withdraw from decisions where a conflict of interest arises.

### Legal and administrative information

The charity is a charitable company, registered in Scotland and is limited by guarantee, having no share capital. The charity is governed by a Memorandum and Articles of Association.

## **Activities**

During the period under review the club held two of the main fundraising events in January and March. Club activities have been limited for almost seven months as a consequence of Covid-19. During this time membership has been decreasing due to Covid-19 and there is less income from membership fees. There has been no expenditure and limited income since March 2020.

Training groups were held weekly until mid-March 2020. Existing groups are beginning to return to weekly training sessions.

Coach development continued with a number of club members gaining coaching qualifications. Club development and virtual activities were led by the Club Together Officer, whose part time post was supported by funding from Scottish Athletics.

### Report of the directors for the year ended 31 May 2020 (continued)

## Financial review

During the year the club made a surplus of £3,613 (2019 – deficit £4,916) with the main sources of income being from race entries and members subscriptions supplemented by grants, donations and gift aid.

As well as the club's regular expenditure on organising races and affiliation fees to athletics organisations, it invested in increasing the number of trained coaches and supported athletes competing in major regional and national competitions. In partnership with Scottish Athletics the club also contributed towards the cost of a Club Together Officer who supported delivery of the club's development plan.

At the end of the year our unrestricted reserves stood at £27,419 which represented an increase from the previous year end figure of £24,806. Restricted reserves stood at £1,000 (2019 - £Nil).

## Investment policy

The directors have the power to invest the monies of the company, not immediately required for the furtherance of its objects, in such investments, securities or property as may be thought fit, subject to such conditions and consents as may be imposed or required by law.

### Risk management

The directors have considered the major risks to which the company is exposed, and are confident that measures have been put in place to mitigate all such risks.

The principal risk faced by the club lies in its ability to continue to secure appropriate funding to enable it to carry out its ongoing operations. The ongoing financial position is reviewed and discussed by directors at each meeting. This review process enables them to ensure the club continues to only provide services where we have the financial ability to do so.

## Reserves policy

The level of free reserves at 31 May 2020 was £27,419 (2019 - £24,806) and this is considered adequate to allow the club to continue for the foreseeable future. Reserves are detailed in note 12 of the financial statements.

Approved by the board on 26 October 2020 and signed on its behalf by:

Jennifer Spence

Dun.

President

## Statement of directors' responsibilities

The directors (who are also the trustees for the purposes of charitable law) are responsible for preparing the directors' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the directors to prepare financial statements for each financial period, which give a true and fair view of the state of affairs of the charitable company and of its income and expenditure for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state where applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006, the Charities and Trustee Investment (Scotland)-Act 2005 and the Charities-Accounts (Scotland) Regulations 2006 (as amended). They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### Report of the Independent Examiner to the directors of Fife Athletic Club

I report on the financial statements of the charity for the year ended 31 May 2020 which are set out on pages 7 to 15.

## Respective responsibilities of the directors and Examiner

The charity's directors (who are also the trustees for the purposes of charity law) are responsible for the preparation of the financial statements in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity directors consider that the audit requirement of Regulation 10(1) (a) to (c) of the 2006 Accounts Regulations does not apply. It is my responsibility to examine the financial statements as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

## **Basis of Independent Examiner's Statement**

My examination is carried out in accordance with Regulation 11 of the 2006 Accounts Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeks explanations from the directors concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the financial statements.

## **Independent Examiner's Statement**

In the course of my examination, no matter has come to my attention:

- 1 which gives me reasonable cause to believe that, in any material respect, the requirements:
  - to keep accounting records in accordance with Section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations
  - to prepare financial statements which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations

have not been met or

wyound Kow

2 to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

#### Notes to the financial statements

### 1 Accounting policies

## Legal status of the charity

Fife Athletic Club is a company limited by guarantee and does not have a share capital. In the event of the company being wound up, the liability of each member is limited to £1. The company is incorporated in Scotland and the registered office is 73 Rumdewan, Kettlebridge, Cupar, Fife, KY15 7QP.

## Basis of accounting and going concern

The financial statements are prepared under the historical cost convention and include the results of the charity's operations in the year, as indicated in the report of the directors. All activities are continuing.

The financial statements have been prepared in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities, preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (Charities SORP (FRS 102)), and comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and the Companies Act 2006.

The club constitutes a public benefit entity as defined by FRS 102.

The directors consider that there are no material uncertainties about the club's ability to continue as a going concern.

Covid-19 has interrupted the operations of the Club but the directors are taking the appropriate steps to secure the future of the Club.

The financial statements are prepared in sterling, which is the functional currency of the club. Monetary amounts in these financial statements are rounded to the nearest  $\mathfrak{L}$ .

The following is a summary of the significant accounting policies adopted by the directors in the presentation of the financial statements.

## Income recognition

All income is recognised once the club has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably. The following specific policies are applied to particular categories of income:

Grants whether 'capital' grants or 'revenue' grants are recognised in full in the statement of financial activities in the period in which they are receivable, except where the charity has conditions to fulfil before becoming entitled to it or where the donor has specified that the income is to be expended in a future period, in which case the income is deferred until that period.

Voluntary income is received by way of donations and is included in full in the Statement of Financial Activities when receivable and in the period to which it relates.

Donated facilities and services are included at fair value to the club where this can be quantified. The value of services by volunteers has not been included in these financial statements.

## Notes to the financial statements (continued)

### 1 Accounting policies (continued)

#### Expenditure and irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

Charitable activities include expenditure associated with the delivery of the club's activities and include both direct costs and those of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting constitutional and statutory requirements of the club and include independent examination fees and costs linked to the strategic management of the club, and are included within expenditure on charitable activities.

Irrecoverable VAT is charged against the expenditure heading for which it was incurred.

### Athletic equipment

Athletic equipment is recognised within the Statement of Financial Activities as a charitable cost in the year of purchase.

#### Cash at bank and in hand

Cash at bank and cash in hand includes cash and cash held in a deposit or similar account.

## Creditors and provisions

Creditors and provisions are recognised where the Club has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discount.

### Financial instruments

The club only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

#### **Funds**

With the adoption of the Statement of Recommended Practice all income and expenditure is dealt with through the statement of financial activities. In the Statement of Financial Activities funds are classified as either restricted funds or unrestricted funds, defined as follows:

**Restricted funds** are funds subject to specific purposes, which may be declared by the donor or with their authority.

**Unrestricted funds** are expendable at the discretion of the board in furtherance of the objectives of the club.

Transfers are made between funds to clear any funds in deficit.

**Designated funds** are unrestricted funds which have been set aside out of unrestricted funds by the directors for specific purposes.
